

Infobiology.eu

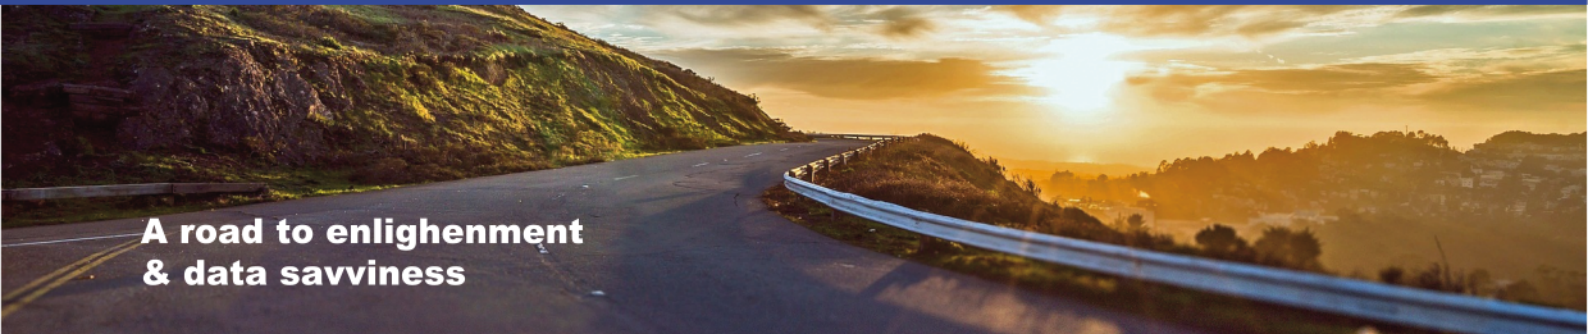

Bioinformatics for non-bioinformaticians

Affordable and rigorous courses **for non-bioinformaticians**,
researchers & life science professionals with no or little computer background:
www.infobiology.eu

For bioinformaticians: Meetups and informal
events, brainstorming & mini hackatons:
www.meetup.com/Milano-Bioinformatics
(Want 2 work with us? Drop us an email)

BIOLOGISTS, CLINICIANS, TECHNICIANS, RESEARCHERS

Biology and clinical sciences are becoming data-driven:
are you ready? We know how to help.

**A road to enlightenment
& data savviness**
